For the attention of the Parent/Carer

Dear Parent/Carer

Lunch 4 Free and Free Benefit Checks

We are working with Warwickshire County Council and Warwickshire Welfare Rights Advice Service (WWRAS) to increase the take up of free school meals. The advantage of this is that for every registered child, the school receives extra money from the 'pupil premium' regardless of whether the meal is claimed or not. This additional funding will help the school to provide more opportunities for all of the children attending the school.

In addition, WWRAS is also offering free benefit checks to help ensure that families are receiving all the benefits that they are entitled to, whether you are not working, or you are working, but are on a lower income.

Campion has been chosen as one of the schools to run this campaign because information shows that there is a bigger difference between the number of families entitled to claim for free school meals than those that are actually registered to claim. **You might be one of these families.**

If you are interested, please fill in the attached form and return it in the FREEPOST envelope to WWRAS. You will then be contacted by telephone and, if appropriate, an appointment will be made to meet you to offer further advice and help.

If you would like to find out more about free school meals please visit the Warwickshire County Council website - ww.warwickshire.gov.uk/freeschoolmeals.

We very much hope that you will take up the offer of the free help available.

Yours sincerely

MARK FELDMAN
