

SCHOOL UNIFORM AND DRESS CODE

At Campion there is an agreed dress code, which was drawn up by students, staff, parents and governors. The code covers not only uniform, but also the wearing of jewellery, make-up and outdoor clothing. The purpose of the dress code is to allow students to arrive at school dressed safely and to feel secure in their appearance thus enabling them to concentrate on achieving their maximum potential in all of the day's lessons.

We believe that the dress code is sensible and relatively inexpensive. Therefore, we consider that all students from Years 7 to 11 should arrive at school each day, suitably dressed, in line with the uniform code. We are sure that parents will support us. Please see, Campion Uniform Guide – Shoe Advice, attached.

Any unreasonable excesses of appearance may lead to a student being temporarily removed from a lesson or possibly being sent home until the situation is resolved. In addition, students must not have a haircut that the school considers extreme in style or colour, they must not have tattoos, facial or body piercings. Members of staff are asked to check standards of presentation regularly - it is the school that must decide what is acceptable.
