Dear Parent/Carer

INTERVENTION SUPPORT SESSIONS FOR ENGLISH, MATHS & SCIENCE (Tuition)

Welcome back to the start of a new school year. We look forward to working with you to ensure that your child/ren achieve the best they can this year.

To this end, we would like to let you know about the Intervention support available for students in English, Maths and Science subjects.

A session is available after school between 3.20 and 4.10pm each evening, Monday through to Thursday, for all students in all year groups. This session is to support and enhance progress in these core exam subjects. Students will be able to take along and discuss parts of the work from their lessons or homework that they are finding difficult.

If you have any questions or would like to talk further about this, please feel free to get in touch with me either via email: nickh1@campion.warwickshire.sch.uk or telephone: 01926 743204.

We look forward to welcoming all students on whichever day or days they wish to attend and hope they find it helpful.

Kind Regards

Mr NICHOLAS HAWKINS
ASSISTANT HEADTEACHER
