GCSE Retakes

Students studying at Champion Sixth Form who achieved a GCSE Grade D or lower in English and/or Maths will be required to attend GCSE re-take classes and resit these subjects until they achieve a Grade C.

Special Consideration

Students may be able to claim 'special consideration' if there was a medical reason that significantly influenced their GCSE grades, compared to their predicted outcomes. This would need to be supported by a doctor's note.

Oversubscription

In the event that the number of eligible students outweighs the places available at Champion Sixth Form, the following criteria will be used to select from eligible students:

1. Children in the care of, or provided with accommodation by, a local authority and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
2. Internal Year 11 students, subject to them meeting the entry requirements.
3. Children living in the priority who will have a brother or sister at the school at the time of admission.
4. Other pupils living in the priority area.
5. Children living outside the priority area who will have a brother or sister at the school at the time of admission.
6. Other children living outside the priority area.

Within each criterion priority is given in order of distance between the child's home and school (shortest distance = highest priority)

Distance will be calculated by straight line measurement from the address point location coordinate of the applicant's home address (as set by Ordinance Survey) to the centre point ('centroid') of the preferred school.

Requirements for Progression from Year 12 to Year 13

Students should receive a minimum of a Grade C at AS level or a Pass in the first year of their BTEC if they wish to continue with these subjects in Year 13. Students who do not meet these criteria will be required to attend a meeting with the Head of Sixth Form.
