For the attention of the Parent/Carer

Dear Parent/Carer

GCSE and A level Results - August 2021

The Department of Education has decided to cancel exams this year and award GCSE and A level grades using teacher assessment. This is called a Centre Assessed Grade (CAG).

At this stage we are waiting on further information from the Department for Education and Ofqual on the process and timings of these. We expect the same to be true for Summer BTEC examinations, but are awaiting further information.

We are very confident that our teachers will be able to assess the Campion pupils accurately and fairly – as we did last year.

At this stage all students will return to school after the February half term. Therefore, teaching will continue on FROG and Teams for all Year 11 and Year 13 students. It is vital that all students are ready to speak to their teachers and attempt their work at 9.00am every morning. Furthermore, students will be encouraged and advised to continue revision for all subjects as we fully expect to run further mock examinations upon their return.

When deciding on CAG's last summer, we considered a range of different types of evidence, including:

- Mock examinations
- Classwork
- Homework
- Coursework
- General progress during the course

Therefore, please tell your child, that their academic performance before, during and after the lockdown will influence their CAG's. To that end, please ensure your child is ready for 9.00am and support them, where possible, in having a quiet area where they can complete all their school work and revision.

I have no doubt, all our students can do very well and reach their potential if they continue to work hard over the coming months. We know how hard they have worked thus far and are very pleased with their progress. The majority of student are on track to achieve great results.
