23 February 2021

For the attention of Parents, Carers, Staff and Governors

Dear Parents and Carers

**Return to School**

I hope you all managed some well-deserved rest over half-term – with the extremely cold weather, educating children at home and coping with the restrictions of lockdown, it certainly was a challenging start to 2021. As you all know, the Government has laid out some initial plans for a gradual lockdown release over the next four months, including the news that children will return to school from Monday, 8 March.

In order to facilitate the safe return of pupils, and to meet the requirements of the lateral flow testing programme, we will have a staggered start from Monday, 8 March, over 3 days. I will write to you again in the next few days with further details, including the dates and times for the return of each year group.

In the meantime, please support your child in getting ready for their return to school by ensuring that they have their full uniform and that you have completed the lateral flow testing consent form. If you have not already completed this, please click on the link below which will take you to a digital consent form.

<https://forms.office.com/Pages/ResponsePage.lateralflowtestingconsentform>

I will write to you again with more information in the next few days.

Kind regards

A handwritten signature in black ink, appearing to read 'J Panesar'.
