For the attention of Parents/Carers

Dear Parent / Carer

**NEW - SIMS Parent App**

I am pleased to announce that the school is launching a SIMS Parent App, which is a convenient way to share information with you about your child's school life and for you to receive important information from the school. From 1<sup>st</sup> May, you will be able to access the app and website from a smartphone, tablet or PC - anytime, anywhere. The information that you receive through the app will keep you updated with your child's school life as well as help to support your child's development and progress.

Features available in the app will include:

- The facility to update your family's contact details, to ensure we retain your current information in case of emergency
- The ability to access information for your whole family (one or more children) from the same app.

Over the next few months, we will be adding further categories to the app, which will be available, at the click of a button, to include:

- Updates on attendance, behaviour, achievement and homework
- School term and teacher training dates
- Access to your child's school reports
- Reminder notifications about important information, including key dates for your diary.

**How to Get Started With the SIMS Parent App**

1. On the launch date, the school will send you an activation email; simply click on the link from your tablet, PC or smartphone to activate your account
2. You can then login using your normal Facebook, Twitter, Google or Microsoft username and password
3. From your smartphone or tablet, download the app from the Google Play or Apple App store - search for **SIMS Parent**
4. From a PC or Windows phone, login online at [www.sims-parent.co.uk](http://www.sims-parent.co.uk)

If you have any queries regarding the information above, please do not hesitate to contact me on 01926 743204.

Yours sincerely
