

November 2020

For the attention of the Parent/Carer

Dear Parent/Carer

Information in the Event of a School Closure Due to Severe Weather

With winter upon us, I would like to remind you of the school's procedures and how you can obtain information about whether the school is closed or not due to severe weather conditions.

We will always attempt to keep the school open during periods of severe weather, however, in extreme events we must consider the safety of our pupils, staff and parents which may lead to a decision to close.

School Notification

In the event that a decision is made early in the morning to close the school, our procedures are as follows:

- Information is sent to the Warwickshire County Council School Closure Website (see below)
- A Group Call message will be sent to all parents/carers from Campion School, **which means it is very important that you contact the school at your earliest convenience if you update your mobile telephone number at any time during the school year**
- The school's website (www.campion.warwickshire.sch.uk) will display a closure message
- The school's Twitter feed (@CampionSchool) will display a message
- The school's Facebook page (@campionsch) will display a message

Please continue to monitor the above information channels, on a daily basis, for further updates on whether the school will remain closed.

Warwickshire County Council Text Message Service for Parents

This service is **no longer available**. If you have used this service previously your details have been removed from their system.

Warwickshire County Council School Closure Website Service for Parents

Warwickshire County Council will display the names of all schools closed on their website:

<https://www.warwickshire.gov.uk/education-learning/emergency-school-closures-1>

If you have any questions regarding the information above, please do not hesitate to contact the school. Thank you for your continuing support.

Yours sincerely

JASSA PANESAR
Headteacher
