ASBESTOS MANAGEMENT POLICY & PROCEDURES – CAVEAT OF ACADEMY RESPONSIBILITY.

Please note the following information.

This information is based on advice from **Mr Dan Dalton BSc (Hons) AFOH CoC (Asbestos)** in April 2015. [Asbestos Surveyor, Property Risk, Facilities Service, Physical Assets, Resources Group, WCC]

From 1st January 2012 Campion School became an Academy Trust School registered with the DfE.

The Academy Trust, Governing Body and Senior School Leadership Team of the school have decided that with effect from 1st January 2012, the school will continue to use the following documents in order to assist and advise them in relation to ongoing Asbestos Management.

- **WCC Asbestos Management Policy V3.0 August 2015 to August 2018** (*current version – checked 10/11/20*)
- **WCC Asbestos Management Procedures V3.0 September 2016 to September 2017** (*current version – checked 10/11/20*)
- **HSE L143 Managing and Working With Asbestos – Control of Asbestos Regulations (CAR) 2012 – Approved code of Practice and Guidance** (*Second Edition, Published 2013*)
- **Further HSE Guidance:** <https://www.hse.gov.uk/services/education/asbestos-faqs.htm>
- **DfE Asbestos Management in Schools (14 Oct 2020)** <https://www.gov.uk/guidance/asbestos-management-in-schools>

In addition to the above the school will continue to subscribe annually to the Warwickshire Education Services (WES) 'Property Risk Management Service – Academy Asbestos Management Service'. This allows for:-

- An annual Asbestos Management Survey, report and remedial work advice
- Access to relevant general or specific advice and assistance at all times
- Access to the online ATLAS asset management system where current / accurate plans and reports are available in relation to the Asbestos in our school

However, it is important to establish that the 'responsibility as Duty Holder' for the management of Asbestos in our Academy School is held solely by the Campion Academy Trust, its Governing Body/Trustees and the Senior School Leadership Team with effect from 1st January 2012 onwards.

Before 1st January 2012, 'responsibility as Duty Holder' was held by Warwickshire County Council as our school was 'maintained' by them.

Further advice and support is available from the schools Business Manager 01926 743209 and/or from the WCC Property Risk Management Officer (Asbestos) – 01926 476850.
