For the Attention of Parents and Carers of new Year 7's

Dear Parents and Carers

On-site Lateral Flow Testing from September 2021

You may be aware that the Government are asking secondary schools to perform 2, on-site, lateral flow device tests, 3 to 5 days apart, on pupils return to school from Monday, 6th September. In order to conduct the testing in school, it is very important that we receive parents'/carers' consent for the tests to be carried out and we therefore ask that parents and carers complete a digital consent, via a Google Form, by clicking on the link below by Monday, 19th July.

<https://forms.office.com/r/BYuuCHDtsb>

Testing is voluntary, however, it is key to limiting the spread of the virus and your support with this is appreciated. If we do not receive consent for a child then they will not take part in the testing. Even without consent, your child will still be expected in school from Monday, 6th September for the start of the new academic year. Please find attached a Privacy Notice and Data Protection FAQ document for your information. If you have any questions or concerns about this, please do not hesitate to contact the school.

Kind regards

PETER FORSEY
Deputy Headteacher
