For the attention of the Parent/Carer

Dear Parent/Carer

Attendance at School During the Pandemic

We would like to confirm our advice regarding pupils attending school during the pandemic – this is in line with Government guidelines:

- If the school has to send pupils home, due to the school being advised of a positive Covid case, we will only contact the parents of pupils who were in close contact with the positive case. We will phone home, speak to the parent(s) and then send a confirmation letter home – parents of other pupils will NOT be contacted – this action is in line with Government guidelines.
- If your child has any of the following symptoms: persistent cough, high temperature, loss of taste or sense of smell **please do not send them into school**, even if they have had a negative result from a lateral flow test. Please keep them at home and book a PCR test.
- In all other cases, where a child generally feels unwell and/or is suffering from symptoms, such as, sneezing, sore throat or a runny nose, **please do not send them into school**, even if they have a negative result from a lateral flow test. We will send pupils home who present at school with symptoms.
- LFD test kits are being sent home to enable you to test your children twice each week – we hope this will provide some reassurance. Please continue with this routine until further notice. Please report any positive results to the school so that the action, outlined above, can be taken.

We understand that this is a worrying and, on occasions, confusing time for parents and we do appreciate your support. Please do not hesitate to contact the school if you have any further concerns or queries.

Yours sincerely

JASSA PANESAR
