For the attention of the Parent/Carer

Dear Parent/Carer

Year 11 Applications for Campion Sixth Form

This is a very challenging time for all of our pupils, but especially for our Year 11 and Year 13 pupils, who are studying for their GCSEs and A levels. I would like to take this opportunity to thank you all for keeping your children motivated and working hard during this difficult time - I am confident that all of our pupils will fulfil their potential with sustained support and guidance.

The school will continue to provide information to families of Year 11 pupils to support and inform them about their choices from September 2021. I should, therefore, like you to read the following information about how your child can **apply to study** at Campion Sixth Form in September 2021 and what is entailed in the application process.

DATE	PROCESS
w/c 11 January 2021	Year 11 pupils to complete online applications for Campion Sixth Form.
w/c 1 February 2021	Sixth form staff to review applications and arrange interviews with applicants.
w/c 8 February 2021	Sixth form staff to begin interviews with applicants via Microsoft Teams; interviews will continue after the February half term.

Your child can complete his/her application for Campion Sixth Form using the link shown below - please note that the deadline for submitting an application is **Friday, 29 January 2021**. We welcome applications from all of our Year 11 pupils and very much hope that the vast majority of our pupils will stay on with us in September.

To support your child in completing their application form, I have attached a copy of the Option Blocks for 2021-2022 along with a copy of the minimum requirement grades for each of the option subjects. Please note that the minimum requirement grades are a guide to determine your child's suitability for a chosen option subject. However, if your child is **struggling to select their options, or requires any support and guidance**, please contact me on: mandeeps1@campion.warwickshire.sch.uk

For pupils who were unable to attend the series of Sixth Form Information Events held at school across November and December, I am pleased to attach a copy of the following documents that were given out to pupils: Sixth Form Information Booklet and Sixth Form Options Booklet. These provide general information about the sixth form, as well as details of the curriculum that is on offer currently.

Finally, following recent announcements from the Department of Education, regarding the move to Centre Assessed Grades (CAGs), I would like to offer our Year 11 pupils the following reassurances:

- When applying to the sixth form, the school will endeavour to ensure that Year 11 pupils are not disadvantaged by the effects of the Covid pandemic
- We will admit all of our Year 11 pupils who are on course to fulfilling the admissions criteria
- Following the release of Centre Assessed Grades (CAGs), we will support our Year 11 pupils who do not meet the entry requirements for their chosen option subjects (as outlined in the minimum target grades) by discussing the alternative options available to them.

I hope this information is helpful and clear, but if you do have any questions please do not hesitate to contact me via email, I will be pleased to hear from you.

Kind regards

Miss M Sandhu
